PARADOX

BREAKING TIMELINES, BENDING REALITY

SYGMA

A prestigious National-level Info-Tech fest organized by the BCA Department of Shri Dharmasthala Manjunatheshwara College of Business Management, Mangaluru. Our institution is committed to enhancing the academic experience of students and equipping them with the skills necessary for their future careers. This year, we are proud to present the theme for SYGMA 2025 as "PARADOX."-where the technology and innovation meets the world of comics and non-fiction taking us through the universe of paradoxes. PARADOX challenges conventional thinking, encouraging participants to explore the coexistence of contradictions and uncover hidden possibilities within the realm of technology. This theme pushes the boundaries of logic and innovation, inspiring creative problem-solving and transformative ideas that redefine the future of IT. The name "PARADOX" embodies the coexistence of contradictions, challenging conventional boundaries and inspiring innovative problem-solving. Join us at SYGMA 2025 – PARADOX, where participants will engage in thought-provoking challenges that test their skills, creativity, and ability to navigate complexities in the ever-evolving world of technology.
